BEST FOR ENERGY PROJECT CLARIFICATION TEXT ON THE PROTECTION AND PROCESSING OF PERSONAL DATA

1. Purpose

The BEST For Energy (Supporting Effective and Sustainable Transformation in Energy) Project is carried out by the Izmir Development Agency (İZKA) in partnership with the Energy Industrialists and Business People Association (ENSIA). The project activities are implemented by DAI Human Dynamics as the leader of the contractor consortium. The project is carried out under the Competitive Sectors Programme financed within the framework of financial cooperation between the European Union and the Republic of Turkey and carried out by the Ministry of Industry and Technology.

It is aimed to process the personal data of the meeting, activity and organization participants within the scope of the BEST For Energy Project in accordance with the provisions of the Law No. 6698 on the Protection of Personal Data (PDPL) and other legislation.

We declare that your personal data that you have reported/will report and/or that is obtained by any means due to your being a participant of the meeting/activity/organization will be processed by Izmir Development Agency, Energy Industrialists and Business People Association, which are parties to the BEST For Energy Project, in their capacities of "Data Controllers",

- Within the framework of the purpose requiring their processing and in connection with this purpose, in a limited and measured manner,
- By maintaining the accuracy and most up-to-date version of the personal data you report or reported,
- Under the conditions stipulated in the PDPL.

With the Clarification Text, the continuation and development of the activities carried out by the BEST For Energy Project in accordance with the principles in the PDPL have been adopted.

2. Collection and Procedure of Personal Data of Meeting/Activity/Organization Participants

The BEST For Energy shall process your personal data for the purposes set out in this Clarification Text. In case of any change in the purpose of processing your personal data, this Clarification Text shall be updated by the BEST For Energy and published separately.

The personal data of meeting, activity and organization participants collected and used by the BEST For Energy are in particular:

- Name-surname, title, address, e-mail address, photo, mobile phone number, business phone number, video/photo with audio and images, CV information
- Company name, company website address, company address, company phone, corporate e-mail address of the company, products of the company, the sector in which the company operates and plans to operate
- Corporate information and data such as strategy, production, marketing, financing, R&D, human resources of the company

The data you submit to us collects all kinds of information obtained in physical or electronic media through documents and documents and through physical or electronic media for the reasons stipulated by the law.

3.Purposes of Processing Personal and Corporate Data and Legal Reasons

Your personal data is processed in accordance with the applicable legislation and the Law on the Protection of Personal Data by automatic or non-automatic methods for the realization of the following purposes, in cases where your explicit consent is available and in accordance with the provisions of the Articles 5 and 6 of the LPPD, in cases where it is explicitly provided by the law, provided that it is directly related to the establishment or performance of a contract, in case it is necessary to process the personal data of the parties to the contract, in order to fulfill the legal obligations of the BEST For Energy, in order to establish, exercise or protect a right or not to harm the fundamental rights and freedoms of the person concerned.

The purposes of processing personal data are as follows and can be updated in line with the project outputs and our obligations arising from the legislation:

- Performing sectoral and company-based analyses and developing strategies
- Organizing activities such as conferences, seminars, meetings, workshops, training, consultancy, job interviews, overseas visits, etc.
- Organizing virtual/online conferences, seminars, meetings, training, consultancy, job interviews, etc.
- Conducting press, news and communication processes and making social media/public announcements, conducting communication processes and updating contact information

Your personal data shall be retained for a reasonable period of time specified in the relevant legislation or in the case of legal prescription periods until the purpose of processing ceases to exist.

4.Transfer of Data to Third Persons

The procedures and principles to be applied in the personal data transfers are regulated in the Articles 8 and 9 of the PDPL and the personal data and sensitive personal data of the person concerned can be transferred to third parties located in the country.

Your personal data is transferred to the members and other participants who will participate in the committee meeting in order to provide information to the printed and digital media such as reports, information notes, brochures etc. to be prepared within the scope of the project, to the relevant official institutions in the country and abroad in order to organize and carry out activities such as business meetings/official institution visits, to the relevant supplier company in order to carry out transportation, accommodation and matching processes within the scope of the event and organization processes, to the participants of the event in the country and abroad in order to participate in events such as meetings/seminars/webinars/promotion/meetings held on virtual/online platforms, to the participants of the event in the country and abroad in order to carry out press, news and communication processes and to make social media/public announcements in the country and abroad in order to receive press, social media platforms and server and server services in the country and abroad.

5.Rights You Have

Pursuant to the Article 11 of the PDPL, you can make requests for the following about your personal data by application:

- To learn whether your data is processed or not,
- To request information about the data if they have been processed,
- To learn the purpose of processing your data and whether they are used for the purpose,
- To learn the third parties to whom your data is transferred domestically or abroad,
- To request the correction of your data if they are incomplete or incorrectly processed, and to request that the third parties to whom the personal data are transferred be notified of the transaction made within this scope,
- To request the deletion, destruction or anonymization of your data if the reasons for the processing of your data are eliminated, and to request the notification of the transaction made within this scope to the third parties to whom the personal data are transferred,
- To object to the emergence of a consequence against the data owner by analyzing your processed data exclusively through automated systems,
- To request the compensation of the damage if your data is damaged due to unlawful processing.

Your request can be submitted to the address of BEST For Energy Alsancak mah. 1476.sokak No:2B Aksoy Plaza K: 8 D:14 Konak/Izmir or e-mail address contact@bestforenergy.org.

The BEST For Energy shall conclude your requests arising from the PDPL in accordance with the Article 13 of the PDPL, free of charge, according to the nature of the request and within no later than 30 (thirty) days. In case of rejection of the request, the reason(s) for rejection shall be notified to you in writing or electronically with their justifications.

This Clarification Text may be revised if deemed necessary. In cases of revision, you will be informed about this issue.
